

## AIA Program Listing

IR Security Technologies is an AIA/CES Registered Provider and may award CES Learning Units to architects by presenting one of the programs listed below. Contact your local SSC office to request training in your area.

Program Number	Program Name	LU's	HSW
ABC120	ABC's of Access Control II	2	HSW
ABC60	ABC's of Access Control I	1	HSW
ABC90	ABC's of Access Control	1.5	HSW
ACTRW	Access Control the Right Way	2	HSW
AD101	Automatic Doors 101	1	
ADA60	ADA Entrance Accessibility	1	HSW
ADAFH1	Finish Hardware & the ADA	1	HSW
AFDI	Annual Fire Door Inspection Program	1	HSW
BAC060	Biometric Access Control Overview	1	
BEH120	Basic Electrified Hardware	2	HSW
BFP60	Balanced Fire Protection	1	HSW
BH101	Basic Hardware Locks Exit Devices & Keying	1	HSW
BHPROD	Basic Hardware Part 1-Product	2	HSW
BIO101	Intro to Biometrics	1	HSW
CD02CD	"C" is for "Codes" (Lite)	2	HSW
CD04CD	"C" is for "Codes" (See class LS201 on page 9 for requirements.)	4	HSW
CDEBEC	Closers, Delayed Egress & Basic Electrical	1.25	HSW
CDG802	Codes Pertaining to Door Hardware (Game Format)	1	HSW
CDI804	Standards & Specifications for Steel Doors & Frames	2	HSW
CDI807	Life Safety Code 2009 Edition- NFPA 101	1	HSW
CDI901	Door Hardware Code Requirements	3	HSW
CDI902	California Building Code and ADA Overview	1	HSW
CLFB60	Grade 1 Cylindrical Lockset Features and Benefits	1	
CR120	Code Requirements for Doors & Hardware - Code Jeopardy	2	HSW
CR60	Code Requirements for Doors & Hardware - Code Jeopardy	1	HSW
DSPYF	Developing a Security Plan for Your Facility	3	HSW
EACSS	Electronic Access Control & Security Systems	1	HSW
ELHD60	Specifying Electrified Hardware - 1 Hour	1	HSW
ELHDWR	<del>Specifying Electrified Hardware</del> <b>This has been replaced with PEI906</b>	1.5	HSW
FH60	Take the "Hard" out of Finish Hardware	1	HSW

HCHDWR	Health Care Hardware - Problems & Solutions	1	HSW
HMFD60	Hollow Metal Frames & Doors	1	HSW
IRSGIP	Improved Hazard Mitigation - by use of Tornado Shelters	1.25	HSW
LEED60	Leed Certification Overview	1	HSW
MFP60	How Safe is Your Property? Key Ideas for Designing Multi-Family Prop.	1	HSW
MFP120	How Safe is Your Property? Key Ideas for Designing Multi-Family Prop.	2	HSW
MLFB60	Mortise Lock Features and Benefits Comparison	1	
NFPA03	NFPA 500 2003 Edition - Building Construction & Safety Codes	2	HSW
PEG801	Electrified Hardware (Game Format)	1	HSW
PEI906	Specifying Electrified Hardware	1	HSW
PMI805	Understanding Keying Products and Systems	1	
PP60	Positive Pressure	1	
PSAC2H	Physical Security - Access Control	2	HSW
PSFB60	Portable Security Features and Benefits	1	
S003JR	Basic Architectural Hardware	1.5	HSW
SCH1	Locks and the Health, Safety, and Welfare of Building Occupants	1	
SDFLS1	Steel Door & Frame Construction and Application	1	HSW
SDFLS3	Steel Door & Frame Construction, Application, and Fire Ratings	3	HSW
SH01GN	Codes and Door Hardware	1	HSW
SPSP60	Safe Schools - Perimeter Security	1	HSW
SRDA01	Storm Resistant Door Assemblies	1.5	
SS101	Key Ideas for Designing Safe Schools	2	HSW
SSCMA1	Fire Door Hardware	1	
SSTC01	Severe Storm Testing & Compliance	1	HSW
SSTC02	Severe Storm Testing & Compliance	2	HSW
TX01KL	Specifying Door Hdwr. for the H, S & W of Building Occupants	1	HSW
VMI803	Education Hardware – Problems Solutions	1	HSW
VMI806	Common Healthcare Openings and Their Hardware Solutions	1	HSW
VMG808	Hardware for Healthcare – Problems & Solutions	1	HSW
WAC120	Wireless Access Control	2
