

# Schlage Innovation Center Product Update

**TO** Field Sales

**Date** 7/20/2009

**FROM** Technical Services

**SUBJECT** ND45 Time Out Lock

We are pleased to introduce and announce the availability of the new ***ND45 Time Out Lock*** on a request only basis through the Schlage Innovation Center. This function fills a void in our product offering for those unique applications where a user needs to provide temporary containment.

## Description

<b>Function</b>	<b>Description</b>	<b>Outside Function</b>		<b>Inside Function</b>
ND45	Time out lock <i>with Vandlgard</i>	<i>Caretaker Side</i> Pushing and holding button will lock inside lever (detention side) until released. Lever always retracts latch.		<i>Detention Side</i> Lever retracts latch unless outside button is depressed. Vandlgard allows inside spindle to disengage from latch when locked.
