## **Von Duprin Decorative Levers for Multi-family –now available**

Von Duprin is pleased to announce the addition four new lever designs to suite the Schlage Commercial and Schlage Residential products for multifamily applications.

**Asti  
(AST)**

**Merano  
(MER)**

**Accent  
(ACC)**

**St. Annes  
(STA)**

Levers styles are available in all Von Duprin finishes at standard lever pricing. Levers will be available at standard lead times next year but will be processed as engineering special with slightly longer lead times through the remainder of 2008.

To order:

Please use the designators AST, MER, ACC or STA and handing when specifying lever as part of a Von Duprin Part number.
